

Creating free shipping labels for C.E. (Commercial Electronics)

1. Open up your browser or create a new tab.
2. Type in: www.cerepairs.com
3. Then click on the "Send in Repair" tab (2nd from the left)

4. Fill out the information that is requested for your specific store. (see below)

Send Us Your Drive-Thru Repairs in 3 Easy Steps.

1. Place your equipment in a box (include packaging around your equipment for protection during shipment)
2. Fill out the form below to print a FREE UPS return service label and place on the box.
3. Drop the box off at any authorized UPS service location or give it to your UPS driver.

*First Name:	Jeff	Check the Products you wish to return <input type="checkbox"/> Headset: <input type="checkbox"/> All-in-one headset <input type="checkbox"/> Communicator: <input type="checkbox"/> Timer SYS30: <input type="checkbox"/> Timer DASH (control unit): <input type="checkbox"/> Timer Zoom (control unit): <input type="checkbox"/> Zoom TSP: <input type="checkbox"/> Battery Charger: <input type="checkbox"/> Other (open 30 characters)	Number to be returned
*Last Name:	Hall		0
*Chain:	Wendy's		0
*Store Number:	31		0
*Email Address:	@mhgi.net		0
*Phone Number:			0
*Address Line 1:	3310 Eagle Park Drive		0
Address Line 2:	Ste 205		0
*City:	Grand Rapids		0
*State:	MI		0
*Zip Code:	49525	Weight: 0 LBS	
*Required Fields		Your privacy is assured Submit	

5. Then click submit.
6. Print out the resulting label. Save the tracking # or email it to you DM so we have record of what was shipped.
7. Fold the printed Document in ½ so that the bar-code is facing outward.
8. Tape the shipping label to the box and ship out.

Packing tape can be purchased through Staples or Office Depot

Staples: Item # 473975

Office Depot: Item # 650457
